

2004 Metro Reservoir Anglers Tournament of Champions

October 23rd and 24th, 2004

Prettyboy Reservoir

The 2004 "Tournament of Champions" was held on Prettyboy Reservoir October 23rd and 24th and the newly formed team of Mike Isaac and David Kirk were crowned Champions with a 2 day total of 24.83 lbs.

The first day the fishing was tough with only 2 of the 20 qualifying teams bringing a "limit of fish" to the scales. Issac and Kirk had the first day lead with 8 fish weighing 21.17 lbs. 2nd place went to the team of Gus Balsamo and Jim Belcher with 8 fish that weighed 18.05 lbs. Larry Barger and Butch Wilson were 3rd with 5 fish weighing 12.60 lbs which included the "lunker of the day" an impressive 6.21 lb largemouth.

Overnight a massive cold front passed and the fishing saw a huge decline... Issac and Kirk weighed in only 3 fish that weighed 3.66 lbs....to bring their 2 day total to 24.83 lbs. Even though they lost a nice fish at the boat, it was still enough to hold off the 2nd and 3rd place teams. The team of Anderson and Wolfe who were in 5th place after day 1, had the biggest weight on day 2, and moved up the leader board to finish in 2nd place.... The team of Gus Balsamo and Jim Belcher took 3rd place honors.
