Commitment to safety during the Covid-19 Pandemic

There is a very long history of the aforementioned tournament clubs holding safe events on Baltimore City's Reservoirs. In order to provide the safest possible environment for our members and to the public, in this time of Covid-19, the three local tournament clubs have worked together to develop an approach that should allow Baltimore City to reinstate the 2020 Rights of Entry for the 2020 season. We are pleased that the state of Maryland has reinstated our 2020 state issued tournament permits, and are hopeful that the City of Baltimore will do the same.

Baltimore Metro Reservoir Anglers Inc., Electric Bass Anglers Inc, & Mid Atlantic Reservoir Anglers Inc, are committed to follow CDC, Federal, State, and City guidelines during our 2020 tournament season. We commit to employ appropriate social distancing and use personal protective equipment (PPE).

Baltimore Metro Reservoir Anglers Inc, Electric Bass Anglers Inc & Mid Atlantic Reservoir Anglers Inc. collectively acknowledges the critical nature of the Covid-19 Pandemic.

We are very much open to any suggestions on your part to further enhance tournament safety, and we welcome your input. .

Your consideration in this matter is greatly appreciated.

Respectfully,
